What's New

The countdown to Christmas has begun and from decking the halls with dazzling decorations to getting gifted and hunting out heavenly haute couture, there's no better place to start the seasonal ball rolling than High Chelmer! And with plenty of centre improvements, an influx of new retailers and exciting in-store events and promotions, there really is no better time to pay us a visit.

High Chelmer is committed to enhancing your shopping experience and we continue to work behind the scenes on new initiatives and developments to ensure the centre is as shopper-friendly as possible. And from the introduction of new stores to make-overs of existing tenants, High Chelmer certainly has some additional sparkle this season! In September **JJB Sports** re-opened their doors to the public. Britain's favourite sports retailer chose High Chelmer as the venue to launch the first of its new look stores and was officially opened by Olympic and World Rowing Champion, Sir Matthew Pinsent.

Image: Primark

The old JJB Sports' shop unit has now been demolished and hoarding has been erected around the unit for shoppers' safety. Seating around **Starbucks** has been rearranged accordingly and there continues to be much needed space for community and charity events in Central Square. This is all in preparation for **Primark** that will be opening in Summer 2012 and will further strengthen the centre's offering of high quality, cutting edge fashion and homeware at affordable prices.

Another fashion retailer recently to arrive at High Chelmer is **Eco Island**. From cool styles to hot trends, the store is dedicated to fashionable fellas with a range of menswear for all ages. **Essex Boys Barbers** has also opened in New London Road, ensuring a bang on trend barnet to complement any new outfit or occasion! For more information about other additions to the centre's retail mix, refer to in-store posters or our website.

High Chelmer continues to be a great venue for shows and events and at the end of October our **Horror-tastic Halloween Craft Day** was a fang-tastic success! Our spooky craft studio gave little devils the chance to make some un-boo-lievable demonic decorations and creepy costumes, while our fiendish face painters transformed young and old into marvellous monsters and gory ghouls. There was also a visit from Jack Skellington, the patron saint of Halloween from *The Nightmare Before Christmas* who provided plenty of tricks and treats for shoppers on the day.

Over the next couple of months there will be an array of magical performances and enchanting events taking place in Central Square, this includes our **Happy Feet Christmas Spectacular** on Sunday 27th November, to coincide with Town Day. Come along to the Square and meet Baby Egbertah and Urving Mackerel Esquire as these pint sized pip-squeak penguins are carried around by two inquisitive larger than life birds. There will also be star-studded singing and dancing performances throughout the day to kick off your Christmas celebrations in style! Keep an eye on our website for more details regarding this exciting line up.

We hope you will enjoy the new introductions and planned activities at High Chelmer during the Christmas and New Year period and we look forward to seeing you at the centre very soon.
